

***“Don’t worry about MSO consolidation,
become one of the Elite!”***

With MSO consolidation full speed ahead and no end in sight, what are your plans to remain relevant to your customers and insurance partners? The best of the best independent shops have figured out ways to not only remain relevant, but many are actually thriving in heavily consolidated markets! How do they do it? The best of the best are very KPI driven and they rely heavily on expert coaching and the power that comes from belonging to a group of like-minded shop leaders. With all the challenges facing the collision repairer these days, wouldn't it be nice to have the same resources that the best of the best independents are using? Now you do, it's called the Elite Body Shop Council.

What is the Elite Body Shop Council?

The Elite Body Shop Council is a group of success-minded independent collision business owners/leaders whose goals are not to only succeed, but to excel in today's world of consolidators. The group is facilitated by Collision Business Coach David Luehr of Elite Body Shop Solutions, LLC. Activities include Quarterly Mastermind Meetings, Monthly Coaching Webinars, and many other educational resources. You are no longer alone, members receive the benefit of being part of a powerful networking group. This group is not an excuse for a pity party, it is for collision shop leaders serious about performance improvement. Members of this group will have access to the latest and greatest information being successfully used by the best shops in the world!
